**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I certainly exist and receive a subcarrier service from Sonic.

It is a better service than ATT offers on there lines, faster speed and less cost.

I would like you to not interfere or stop my access

I would like you to not cause a raise in rates.

I would like the big phone companies to allow use of the lines they developed when they used this monopoly and just charged us to install the lines so they should provide usage by others.

I suppose soon it will all be wireless but until then do not raise rates or restrict competition.
